

Praia, Cabo Verde

Dear Potential Investor,

Cabo Verde is rapidly becoming one of West Africa's prime destination for Foreign Direct Investment. The Government has built a stable and solid economy, as well as, invest resources to improve the efficiency of our public institutions; all to create a favourable business environment and minimise the costs of doing business. We have an enabling business environment and institutional framework to guaranty mobility of capital, secure investments and diverse business opportunities. Our country is investor-friendly and ready for your business.

On behalf of **Cabo Verde TradeInvest**, we are committed to converting Cabo Verde into an international platform for business and global investment flows.

We would like to formally invite you to consider the diverse business opportunities in the following areas:

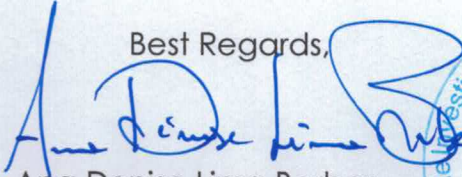

- Agribusiness
- Tourism
- Education
- Health Services
- Industries
- Renewable Energy
- Airport and Port Management & Services
- Infrastructure
- Transport & Logistics
- Information, Communications & Technology

Please note below, the documents needed to initiate the investment and proposal appraisal process:

1. Expression of Interest (EOI)
2. Preliminary Appraisal
3. Business Plan/Feasibility Study
4. Investment Decision

We look forward to hearing from you in the near future.

Best Regards,

Ana Denise Lima Barber
CEO of Cabo Verde TradeInvest
